Since its debut in Summer 2002, *Bookmarks* Magazine has had a long tradition of outstanding book coverage—one for the intelligent mainstream. We sift through hundreds of books and book reviews each month to present a smart, colorful, and decidedly unstuffy guide to the best in books—new, classic, and everything in between.

THE BEST BUYING GUIDE TO BOOKS

Target readers asking, "What Should I Read Next?"
Every aspect of *Bookmarks* is designed to help our readers make their next literary purchases. Our New Books Guide rates new releases across many genres, while our Book by Book profiles recommend works by contemporary and classic authors. Our genre and special-topic articles offer recommendations for all types of readers, from crime enthusiasts to history buffs. As a result, our readers spend less time reading about books and more time reading (and purchasing) them.

Talk to those with a love for literature
If you market products or services to readers, you know that books are only one aspect of a literary life. *Bookmarks* is a powerful way to reach this audience. In addition to our subscription base, we are also a favorite among libraries, schools, and book clubs.

A DESIRABLE DEMOGRAPHIC

Active readers are generally better educated and more affluent consumers. It has been proven that, as a whole, they are more interested in travel, science, the arts, and the community. *Bookmarks* delivers an attractive audience, no matter what product or service you offer.

COST-EFFECTIVE COMMUNICATION

***Bookmarks* Magazine is one of the best-selling general literary magazines** on the newsstand. We offer a combination of rates, ad types, and readers that will help you optimize your marketing budget.
